LANGUAGES

English - Native speaker

TECHNICAL SKILLS

CLIENT-SIDE

React, JavaScript (ES5/ES6), TypeScript, jQuery, HTML5, MobX, Redux, CSS, Bootstrap, Material UI

SERVER & DATABASE

Node.js, socket.io, Express, Axios, MongoDB, Mongoose, SQL, MySQL, Puppeteer, Cheerio

TOOLS

AWS, Git, Heroku, Netlify, Atlas, WordPress, Adobe Photoshop, Windows/Linux/OS X

PROJECT HIGHLIGHTS

Picture sharing social media
Redux, React, Express, Mongoose

1st Place Final Project - Elevation
Social media aggregator
Mobx, React, socket.io, Puppeteer

Trivia game using Trivia DB API
TypeScript, React, Material UI

ABOUT

Made Aliyah from the USA in 2016 - Self-motivated and dedicated Junior Full Stack Developer. Enthusiastic about learning, problem-solving, and building applications. I continue to explore, study, and create more each day.

I completed an intensive full stack developer Bootcamp. After graduating, the Bootcamp organizers hired me as an instructor. I now train over 30 developers on the MERN stack emphasizing the importance of OOP, MVC architecture, and agile workflow.

EXPERIENCE

2020 - PRESENT | FULL STACK INSTRUCTOR | ELEVATION

- Train over 35 developers in the MERN stack
- Emphasize OOP and MVC architecture
- Promote agile workflow and encourage self-learning
- Review code to improve quality and readability

2018 - 2020 | PROJECT MANAGER | COMTEC GROUP

- Executed full-cycle global conferences (25 - 4,000 participants)
- Convened with clients weekly to guarantee satisfaction
- Coordinated departments to ensure a unified purpose

2016 - 2018 | SCIENTIFIC PROGRAM COORDINATOR | KENES GROUP

- Designed conference websites, application, and printed materials
- Communicated daily with clients on the timeline and expectations

EDUCATION

2020 | FULL STACK WEB DEVELOPER BOOTCAMP | ELEVATION

- Completed an intensive MERN stack coding Bootcamp
- Built interactive end-to-end websites and single-page applications
- Collaborated within teams using Agile development workflow
- Emphasized self-learning and problem-solving
- Competed in a hackathon and a sprint

2013 - 2015 | M.Sc. PHYSIOLOGICAL ECOLOGY | BEN-GURION UNIVERSITY

- Thesis: Egyptian fruit bats - seasonal water loss

2008 - 2012 | B.Sc. BIOLOGICAL SCIENCES | BOSTON UNIVERSITY, USA

ADDITIONAL SKILLS

- Medical Professional Collaborator
- Team Management
- Graphic Design
- Digital Art
- Technical Writer
- Conference Production
